

### DNM2

#### Solvent Wipes:

Gekatex Solvent wipes are especially developed for degreasing and cleaning car bodies. Our wipes are extremely hard-wearing and resistant to the most aggressive solvents. It is durable and highly absorbent to assure a « quick dry effect » in your process with no lint, no effort, no extra cost, no extra time.

#### Product Description

##### Product Features:

- Polyester/Cellulose non-apertured blue nonwoven
- Water Jet Bonding technology for a resistant and lint-free wipe
- No added binders or glue that can dissolve on the surface to contaminate your work
- Suited for all types of solvents
- Fast absorption
- Excellent strength, wet or dry

##### Recommended Application:

- Solvent wiping (Wipe off)
- Print head wiping
- General maintenance for machines
- Car body degreasing operations
